**\* About Art Club:**

Art Club is an opportunity for area youth to socialize, collaborate, and create with one another twice a week in independent studio time. While an instructor will be on premises to oversee, inspire, and advise visitors, children will be encouraged to create independently. Art club is open to locals and visitors and can be attended as often or infrequently as schedules and interests allow.

**Summer class punch cards are available for May – August 2022!**

Purchase a five class punch card and pack your summer with creativity. Punch cards can be used for any single-day class, giving you more opportunities to get creative and try new things. Punch cards can be purchased in-store for \$150 each (a \$25 savings!)

To ensure we have enough supplies for everyone, preregistration is required for all classes (excluding Art Club). To register for a class, call 715-467-7606
